

3 Nights / 4 Days – WE LOVE ALMATY

Kazakhstan's biggest city, Almaty, is almost reminiscent of Europe with its leafy avenues, chic cafes, glossy shopping centers and hedonistic nightlife.

The city certainly has a spectacular beauty, whether or not it was the Garden of Eden, and is located in the foothills of the Trans-Ili Alatau in the extreme south east of Kazakhstan. The back drop of mountains against the taller buildings makes a dramatic and impressive sight and was the center for the Asian Winter games in January 2011.
